

KSFC Team Size Policy

KSFC has provided the parameters of the size of a team in any age group to ensure our teams field the correct player numbers for the age group, allow for substitutions, provide fair play time for all team members, and efficiently utilise the number of registered players.

These numbers will provide guidance for the registration and team formation processes.

Age Group	Players on Field	<i>Maximum Team Size</i>
Under U6/7	4	6
Under U8/9	7	9
Under U10/11	9	11
Under U12-18	11	16
Senior Teams	11	20

When reviewing team nominations, the club has the overall final authority about a team's size and reserves the right to place players in teams based on the best interests of the club and its members.

Any exceptions must be approved by the KSFC Executive.
